

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 16630 of the Office on Aging/D.C. Government, pursuant to 11 DCMR 3104.1, for a special exception under Section 205 to allow the proposed construction of an elderly wellness day care center for more than 16 persons aged 60 years and older in an R-4 zone District at premises 3500 Martin Luther King, Jr., Avenue, S.E. (Parcel 243/47 in Square 6091)

HEARING DATE: October 24, 2000
DECISION DATE: October 24, 2000 (Bench Decision)

SUMMARY ORDER

The zoning relief requested in this case is by a memorandum from the Division of Zoning of the Department of Consumer and Regulatory Affairs that specifies the zoning relief required by the Applicant

This Decision and Order arise from the Application of D.C. Office of Aging/D.C. Government for a special exception under Section 205 to allow the construction of an Elderly Development Center (wellness day care center) for more than 16 persons aged 60 years and older in an R-4 zone.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, by mail to Advisory Neighborhood Commission (ANC) 8C and to owners of property within 200 feet of the site.

The subject property is located within the jurisdiction of ANC 8C, and specifically in Parcel 243/47, Square 6091. ANC 8C is automatically a party to this application. The ANC submitted a written report in support of the application.

As directed by 11 DCMR 3119.2, the Board required the Applicant to satisfy the burden of proving the elements which are necessary to establish the case for a special exception from the strict application of the requirements of 11 DCMR Subsection 3104.1, Section 205. No person or entity appearing as a party to this case testified in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR 3104.1, that the requested relief can be granted as being in harmony with the general purposes and intent of the Zoning Regulations and Map. The Board further concludes that the requested relief can be granted without substantial detriment to the public good and without impairing the intent, purpose, and integrity of the zone plan as

embodied in the Zoning Regulations and Map. It is therefore **ORDERED** that the application be **GRANTED**.

Pursuant to 11 DCMR 3101.6, the Board waived the requirement of 11 DCMR 3125.3 that findings of fact and conclusions of law accompany the order of the Board. The waiver will not prejudice the rights of any party, and is appropriate in this case.

VOTE: 5 – 0 (Sheila Cross Reid, Carol J. Mitten, Robert N. Sockwell, Rodney L. Moulden, and Anne Renshaw, to grant).
